What we do?

Being an organization formed by lawyers and attorneys across the globe, we all shall be committed to collectively strive to aid and support people from the legal fraternity throughout the world including from the respective nationalities that each of us belongs to. On a global level, we aim to:

- i. Educating lawyers via webinars and special e-learning programs,
- ii. Assisting law students globally in procuring internships via global partners,
- iii. Providing free legal aid to small scale businesses from under-developed countries,
- iv. Providing basic tech-education to lawyers from developing parts of the world,
- v. Promoting and aiding female lawyers,
- vi. Providing basic knowledge on social and fundamental rights,
- vii. Aid in establishing relationships with educational universities in partner countries.

We also propose to launch a digital magazine giving opportunity to the lawyers globally as a platform to voice out their opinions on the laws in their respective country and also accordingly honour the lawyers for their respective contribution in the field of law.

WILL SUNRISE shall as a social initiative also work proactively in different countries through their WILL members to implement the initiatives of WILL SUNRISE in respective countries.

This Manifesto is a key part of our strategy in global welfare of the legal fraternity and WILL SUNRISE shall strive to adhere to it and also actively contribute to each cause of the initiative.

All the decisions shall be taken by the global team of WILL SUNRISE and shall be final and binding on each member of WILL participating in WILL SUNRISE for their respective country.
