2025

IL DIRITTO IN CAMMINO

THE LAW ON ITS PATH

A unique gathering of minds and values.

A space where Italian and international professionals, institutions, and local entrepreneurs come together to reflect on the role of law as a powerful tool for *dialogue, bridge-building, and social innovation*.

Perugia and Assisi — with their profound history, symbolic meaning, and the exceptional backdrop of 2025 — offer the perfect setting to explore the future of our profession and the global challenges ahead.

4th NATIONAL CONGRESS OF WILL ITALIA 23-25 OCTOBER, 2025 - PERUGIA & ASSISI (ITALY)

2025 marks the 800th anniversary of the *Cantico delle Creature*, by San Francesco d'Assisi — a timeless hymn to beauty, harmony, and universal brotherhood. It is also a *Jubilee Year*, a time of openness, welcome, and both inner and collective journey.

For all these reasons, WILL ITALIA has chosen this setting for its 4th National Congress. We'll come together under a title that is both vision and invitation: "Il Diritto in cammino - The Law on its Path"
